

## Looking Ahead in 2021 and Beyond!

After a year of uncertainty, we are, thankfully, now able to relax and look forward to a much more positive and brighter future here at Aunty Molly's.

**September** will be something different when we present a tribute to the late, great **Karen Carpenter** via the talents of **LISA BUDEN PRICE**, born in London, Ontario Canada and came to Australia as a teenager. Lisa specialises in The Carpenters music and has a voice to carry the great old songs of the seventies. Her show '**Remembering the Carpenters**' which has been presented in many prestigious venues, including the Sydney Opera House, is a tribute to the life of Richard and Karen Carpenter and, combined with her quick wit, fabulous personality and stage presence, she is a talented, highly revered entertainer and she'll have you on "**Top of the World**"!

**October** has been one of Toni's favourites for over 30 years, having presented a full Oktoberfest, with a cast of 16, in the major clubs for 25 of those years, although, nowadays, it's scaled down quite a bit, she still has a heck of a lot of fun doing it! Most of our shows feature another top line performer but, as this particular show is Toni's speciality, she will be inviting her musical director of many years, Greg Hooper, along too. So join us for a day of singalongs, audience participation and oodles of Oom-Pah-Ph!!

**Aunty Molly's Christmas Crackers** extends from mid November through to mid December and brings with it the best Christmas present that anyone could wish for, all wrapped up in the multi talented, multi instrumentalist, multi everything and highly awarded bundle of fun, the inimitable **DANNY ELLIOTT** who will be here to entertain you again with his energetic and unique performance

**Winterfest 2022!!** Yes folks, our 2021 season is not yet upon us and already we're geared up for 2022. It's been four years since we had the pleasure of seeing the great **JOEY FIMMANO** in action for our Christmas in July celebrations here at Aunty Molly's but, as the old cliché goes, "the early bird get's the worm" and you'll be wriggling in your seats ... promise! Remember, even though it's over a year away, it's never too early to book.
